FUEL ADDITIVES

67740
TECHRON® CONCENTRATE

12 OZ.

65740
TECHRON® CONCENTRATE

20 OZ.

Techron® Concentrate Plus is better than ever!

CLEANS AND PROTECTS AGAINST HARMFUL SULFUR IN GASOLINE

Techron® Concentrate Plus will help:

- **Clean** sulfur corrosion from fuel gauge sensors
- **Restore** operation of sulfur contaminated fuel gauge sensors
- **Prevent** harmful sulfur components from attacking sensitive electronic fuel sending units
- **Protect** up by coating all metal surfaces of the fuel system, including high-ethanol oxygenate gasoline
- **One Tank Full** of fuel treated with Techron® Concentrate Plus is all it takes!

COOLANT

227994
HAVOLINE DEX-COOL® ELC

1 GAL.

Havoline Extended Life Anti-Freeze/Coolant Dex-Cool®

Product Benefits and Technology:

- Customers benefit from reduced maintenance costs thanks to longer change intervals—5 years/150,000 miles
- Extends water pump life and reduces coolant system component failure
- Maintains longer shelf life (minimum of 5 years), silicate free, no dropout or gel formation during use or storage

222353
TEXACO ANTI-FREEZE/COOLANT

1 GAL.

Texaco Anti-Freeze/Coolant

Product Benefits and Technology:

- Protects all cooling system metals against rust and corrosion, including aluminum, brass, copper, solder, steel and cast iron
- Reduces overheating and boil overs
